

Friends and Colleagues,

It has been my distinct honor to serve as President of the Henrico County Bar Association for 2021-22. Although it has been another unusual year, I am pleased to share that we will end on a bright note, with two live, in-person events in May.

First, join us at our old haunt in the Westwood Club for the annual legislative update on May 3, 2022, from 4-5 p.m. A reception will follow, with food and beverages. [Register Here](#)

Second, take a trip to Bartizan in West Broad Village to celebrate our spring banquet on May 12, 2022, at 6 p.m. While less educational than the legislative update, the annual banquet boasts more food and beverages. [Register Here](#)

Sincerely,

Andrew R. Newby, Esquire
President, 2021-2022
