

Greetings! I hope everyone is staying healthy as we enter the final stretch of the summer season. Hopefully everyone was able to enjoy some of what summer had to offer in spite of this being a much different summer than we are used to.

We have some exciting news! We have a ***NEW*** website and membership applications and renewals can now be done online! We hope you will take a few minutes to check it out [here](#).

The Board continues to work on setting some events for the coming months however, we recognize that things are still uncertain and are being flexible with our planning. That said, we do plan to offer a virtual opportunity for some CLE credits in the fall. Stay tuned for details.

Thank you for your continued membership and support. Stay well!
